# it’s all in **the detail**

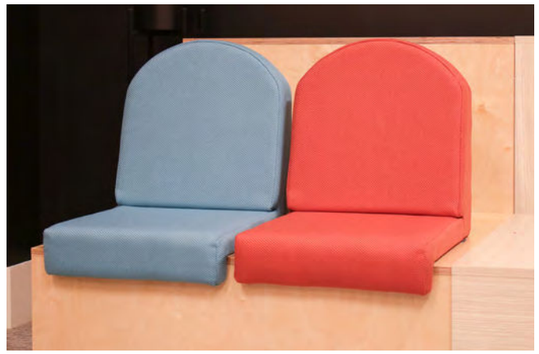

## FEATURED EDGE DETAILS

Huddlebox® Edge features a butt joint construction for easy assembly and an exposed edge detail, giving the seating system a sleek, modern look perfect for collaborative spaces.

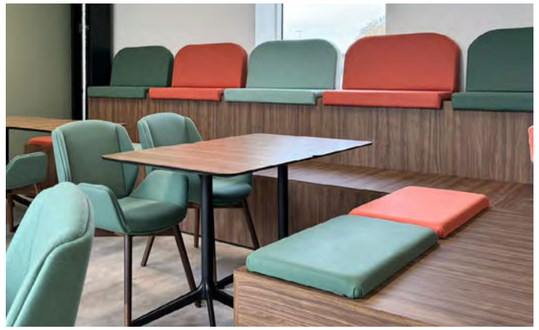

## SEATS WITH BACKS AVAILABLE

Huddlebox® full seats offer a more comfortable and ergonomic experience, with their thoughtfully designed upholstered seats and seat backs.

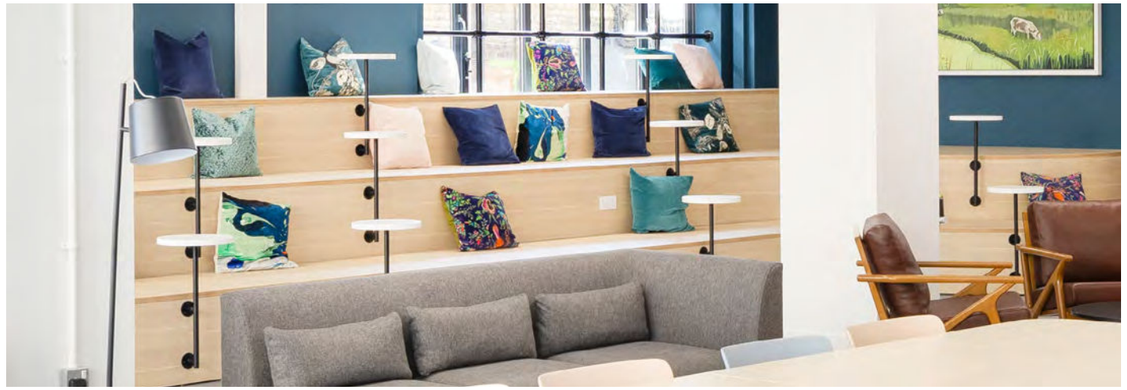

## LARGER MODULES

With fewer individual pieces to assemble, the installation process becomes more efficient, reducing labour costs and construction time.

## INTEGRATE BIOPHILIC DESIGN

The Huddlebox® Edge planter modules integrate plants into tiered seating, enhancing your space with biophilic design for a calming, wellbeing-boosting atmosphere

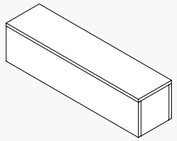

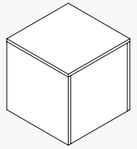

## ADDITIONAL ACCESSORIES

Whether it’s adding tables to create a portable, compact workspace, optimising space with storage, enhancing mobility with castors, these options ensure you can create a tailored and functional seating system that aligns perfectly with the demands of any team in any environment.
